

Citrus College

Esthetician

The Citrus College Esthetician Program exposes you to the state-of-the-art skin care equipment that meets the today's technology standards in the esthetics industry.

The Citrus College Esthetician Program provides you with the skills and knowledge to help clients attain healthy skin and an attractive appearance. Administering skin care treatments suited to each individual allows estheticians to help people look and feel their best.

Career opportunities in this field include employment in day spas, full-service hair and skin care salons, a dermatologist's or plastic surgeon's office as a paramedical esthetician, or as a consultant for a major skin care product manufacturer. Subjects covered in this

professional skin care program include:

- Anatomy and physiology
- Diseases and disorders of the skin
- Cosmetic chemistry and product formulation
- Electrical modalities for facials and skin care
- Professional hair removal
- Reflexology on hands and feet
- Complete makeup artistry with color coordination
- Estheticians working with physicians
- Advanced topics in esthetics, and aromatherapy
- Cosmetic surgery, pre- and post-care
- Health and nutrition

College Admission

Admission to Citrus College is open to high school graduates and any person 18 years of age or over.

To enroll, submit an application for admission online at:

<https://wingspan.citruscollege.edu>

New students enrolled in five or more units and planning to earn an associate degree, a certificate of achievement, or a skill award must take an English and math skills assessment. In addition, new students who plan to enroll in English, mathematics or reading classes must participate in the skills assessment process.

Concurrent Enrollment for High School Students

Some programs and classes are available to current junior and senior high school students. Interested students should contact their high school counselor or the college's Admissions and Records Office.

Associate Degree

For an associate degree, a student must complete 60 degree applicable units of work and fulfill specific general education requirements, including electives and physical education. A cumulative grade-point average of 2.0 ("C") or above is required.

For detailed information, refer to the college catalog or consult a counselor.

Transfer Requirements

Transfer requirements can be integrated with the associate degree option so that you may receive a degree at the time of transfer. **See a counselor for specific requirements for your major. Course requirements may vary among colleges.**
