

Citrus College Art

The Citrus College Art Department offers three major areas of emphasis—studio/fine art, graphic design and art history.

The Art Department offers a creative learning environment where you can explore and develop the skills and knowledge you need.

Faculty expertise is broad, offering you a well-rounded art education in theory, practice and history. The faculty includes leading authorities in their fields, featured exhibitors and freelance professionals. Many have traveled extensively to make their curriculum come alive in the classroom.

To be successful in the field of art, you will need a strong portfolio in addition to basic art classes. Citrus classes will help you develop your portfolio and prepare for employment as a graphic artist, advertising designer, studio artist or ceramic artist. Other employment

opportunities include children's book illustrator, desktop publishing artist, sales representative, interior designer, art instructor, comic strip artist, technical illustrator, gallery director, police artist, web page designer and more.

- Transferable
Transfer requirements vary from college to college. See a counselor to set or review an educational plan.
- Associate in Arts Degree

College Admission

Admission to Citrus College is open to high school graduates and any person 18 years of age or over.

To enroll, submit an application for admission online at:

<https://wingspan.citruscollege.edu>

New students enrolled in five or more units and planning to earn an associate degree, a certificate of achievement, or a skill award must take an English and math skills assessment. In addition, new students who plan to enroll in English, mathematics or reading classes must participate in the skills assessment process.

Concurrent Enrollment for High School Students

Some programs and classes are available to current junior and senior high school students. Interested students should contact their high school counselor or the college's Admissions and Records Office.

Associate Degree

For an associate degree, a student must complete 60 degree-applicable units of work and fulfill specific general education requirements, including electives and physical education. A cumulative grade-point average of 2.0 ("C") or above is required.

For detailed information, refer to the college catalog or consult a counselor.

Transfer Requirements

Transfer requirements can be integrated with the associate degree option so that you may receive a degree at the time of transfer. **See a counselor for specific requirements for your major. Course requirements may vary among colleges.**
