References: Education Code Sections 68050, 68051, 68130, 68130.5 and 76140 et seq.; 8 U.S. Code Section 1101; Title 5 Section 54045.5

Nonresident students shall be charged nonresident tuition for all units enrolled, unless specifically exempted.

Not later than February 1 of each year, the Superintendent/President shall bring to the Board of Trustees for approval, an action to establish nonresident tuition for the following fiscal year. The fee shall be calculated in accordance with guidelines contained in applicable state regulations and/or the California Community College Attendance Accounting Manual.

The Superintendent/President shall establish procedures regarding collection, waiver, and refunds of nonresident tuition.

The Superintendent/President is authorized to implement a capital outlay fee to be charged to nonresident students. The Board of Trustees finds and declares that this fee does not exceed the amount expended by the District for capital outlay in the preceding year divided by the total Full-Time Equivalent Student (FTES) in the preceding year. The fee will be reviewed annually.

Students who would otherwise be charged the capital outlay fee shall be exempt if they demonstrate that they are a victim of persecution or discrimination in the country of which they are a citizen and resident, or if they demonstrate economic hardship.

Students shall be deemed victims of persecution or discrimination if they present evidence that they are citizens and residents of a foreign country and that they have been admitted to the United States under federal regulations permitting such persons to remain in the United States. Students shall be deemed to have demonstrated economic hardship if they present evidence that they are citizens and residents of a foreign country and that they are receiving Temporary Assistance for Needy Families Program, Supplemental Income/State Supplementary benefits, or general assistance.
