# FORM GUIDELINES

## General Guidelines

1. Approved petitions will only be valid for the approved term(s).
2. Students who are on academic or progress probation are notified through their Citrus College email at the end of fall and spring semester. Please note that probation, readmission from dismissal, and financial aid appeal processes (SAP Appeal) are separate appeal processes.
3. Students that lose priority registration and the CCPG Fee Waiver based on not being in good standing regain enrollment priority and the CCPG Fee Waiver once they are in good standing.
4. Student may petition for Extenuating Circumstances exception, Lack of Timely Accommodation exception, and Accommodation Pursuant to ADA exception as many times as appropriate.
5. Essential student support services include, but are not limited to, assessment, orientation, a student educational plan, services identified in the student educational plan, and any service the student was referred to pursuant to Title 5 Section 55520.

## Enrollment Priority

1. Completing Educational Goal exception may only be used to waive the 100 unit limit. For example, a student who only receives approval under the Completing Educational Goal exception would lose enrollment priority if that student has both exceeded the 100 unit limit and is not in good standing.
2. Students may only receive approval for the Completing Educational Goal exception one time unless a required class was not offered during the student's approved term(s).
3. Students may petition after completing 75 degree applicable units in anticipation of going over the 100 unit limit. Students should see a counselor if they are over 75 degree applicable units.
4. Students must petition by the stated deadlines on this petition to retain enrollment priority.

## CCPG Fee Waiver (*Formerly known as Board of Governor's Fee Waiver BOGFW*)

1. Students who sit out two consecutive semesters automatically regain access to the CCPG Fee Waiver and continue to receive it so long as they do not have consecutive terms on probation.
2. Eligibility for CCPG Fee Waiver is determined at the time the student first registers for a given term.
3. Students who have demonstrated significant academic improvement will automatically be granted an appeal from loss of the CCPG Fee Waiver (this petition is not required).
