The deadline to enter Valley’s Got Talent has been extended to December 10, 2010. The entry fee and performance DVD are not required.

The Citrus College Foundation presents the first Valley’s Got Talent fundraiser at the Haugh Performing Arts Center on Sunday, January 30, 2011 at 2 p.m. This event will replace the Foundation’s A Taste of Autumn event; however, Valley’s Got Talent serves the same purpose of raising funds to help support Citrus College students as they seek to accomplish their educational goals.

Modeled after some of television’s most popular shows, local amateur singers, dancers, and musicians of all ages will perform before an expected audience of 1,400 people. These performers will be mentored and critiqued by music and television industry professionals prior to the event. The audience will give input as to who they believe is the Valley’s very best performer.
