Phi Theta Kappa Honor Society Sponsors Showing of “An Inconvenient Truth”

Faculty and staff are asked to encourage their students to attend a showing of the film “An Inconvenient Truth” on Thursday, November 2 from 11 a.m. to 1 p.m. in the Citrus College Campus Center. Directed by Davis Guggenheim, the film eloquently weaves the science of global warming with former Vice President Al Gore’s personal history and lifelong commitment to reversing the effects of global climate change. A longtime advocate for the environment, Gore presents a wide array of facts and information in a thoughtful and compelling way. "Al Gore strips his presentations of politics, laying out the facts for the audience to draw their own conclusions in a charming, funny and engaging style, and by the end has everyone on the edge of their seats, gripped by his haunting message," said Guggenheim.

The showing of this film is being sponsored by the Phi Theta Kappa Honor Society. Faculty are welcome to bring their classes. For additional information, call ext. 8086.
