Bienvenida!

Como el Superintendente/Presidente de Citrus College, me siento muy contento de darles la bienvenida al Semestre Otoño del 2009. Ya sea que sea un estudiante nuevo o uno que regresa a clases, nuestra facultad y personal están comprometidos a ayudarle a que alcance sus metas académicas y de carrera, y apoyarlo para que sus sueños personales y profesionales se hagan realidad.

Por más de 90 años, Citrus College ha educado a miles de estudiantes, ofrecido sus servicios de calidad a nuestras comunidades vecinas y promovido nuestra legacia de éxito. Ofrecemos una gran variedad de programas de educación general, de transferencia y de entrenamiento técnico encaminados a títulos de asociados en más de 30 disciplinas y certificados en más de 40 áreas de carreras/estudios técnicos. Nuestras clases vía Internet de tiempo corto y de nueve semanas ofrecen flexibilidad para ayudarle a completar su educación lo más rápido posible.

Nuestro colegio tiene éxito en preparar a que los estudiantes se transfieran a colegios de cuatro años de estudio o a la universidad. Además, una gran cantidad de estudiantes que terminan sus programas de carreras y/o de entrenamiento técnico pasan satisfactoriamente sus exámenes para obtener licencias y por lo tanto empiezan a trabajar en carreras productivas.

Este Otoño, los invito a que aprovechen todo lo que tiene que ofrecerles Citrus College. Cualquiera que sean sus metas y objetivos, nuestras clases y programas educativos, combinados con la vida escolar y actividades sin duda alguna les beneficiarán y enriquecerán sus vidas.

Su éxito es importante para nosotros y haremos lo que esté a nuestro alcance para ayudarle con sus metas educativas. Gracias por permitir que Citrus College le apoye en su camino al éxito académico y profesional. A nombre de la facultad y del personal, les deseamos que disfruten de un semestre productivo.
