Honors Transfer Program Application

This application is for the Honors Transfer Program only. If you are a new applicant to Citrus College, you must complete a separate Citrus College application and submit a separate set of official transcripts to the office of Admissions and Records.

Submit the following four items along with this completed Honors Transfer Program application by the deadline:

1. Submit transcripts from high school and/or all college(s) indicating a GPA of 3.25 or higher. (Unofficial transcripts are acceptable; however, official transcripts will be required later.)

   Applicants without any previous college experience must submit a high school transcript.

   Continuing Citrus students may obtain a Citrus unofficial transcript online through Wingspan, or you may request a copy though Admissions and Records.

   Applicants who have previously attended other colleges or universities must submit copies of transcripts from all colleges attended. (Admissions policies require students to declare all colleges attended. Failure to declare all college work will jeopardize a student’s transfer status.)

   Students who are unable to prove Honors Transfer Program eligibility with high school transcripts and have not completed 12 units at Citrus (or any other college or university) MAY be eligible for the program on a case-by-case basis. If you feel the program might be a good fit, you should make an appointment with Brian Waddington, Honors Transfer Program Coordinator to determine eligibility for the program.

   Eligibility may be demonstrated with proof of any of the following: Citrus placement test, AP test score (3 or greater), or completion of an appropriate English 101 prerequisite course.

3. Supply one letter of recommendation from an instructor, counselor, or high school contact.

   The letter should be from someone who can comment to the student’s work ethic and academic ability.

4. Provide a typed 300-350 word essay.

   What are your skills and experiences that have prepared you for the Honors Transfer Program?

   Please provide specific examples.

Submit the completed application packet (signed Honors Transfer application, transcripts, placement test scores, letter of recommendation, and essay) to the Honors Transfer Program office - ED 133 or to Brian Waddington, Honors Transfer Program Coordinator. Only complete applications will be considered.

You will be notified by email of your admission into the Honors Transfer Program AFTER these three documents have been evaluated.
