Address Changes
All students must complete a Student Records Correction Form to ensure they receive important materials such as registration information. Go to: www.citruscollege.edu/ar, click on Student Forms.

Fee Waivers
The Health Fee may be waived only by those students whose religious beliefs require that they rely solely on prayer for healing. In order to receive this waiver, a student must present valid documentation of his or her membership in a religion recognized as demanding compliance with this requirement to the vice president of student services. BOGW students pay a required reduced fee.

Student Service Fees
The Student Services Fee may be waived prior to payment by obtaining a waiver from the Student Affairs Office. This form must be turned in to the cashier in the Associated Student Business Office or the cashier in the Student Service Building, so it can be posted to the student account.
If you wish to obtain a refund after paying for the Student Services Fee, you must obtain a refund request form from the Student Affairs Office. This form must be turned in to the cashier in the Associated Student Business Office or the cashier in the Student Service Building, so it can be posted to your account.

Refund forms must be submitted before the refund deadline. Waiving or receiving a Student Services Fee refund makes a student ineligible for the benefits associated with this fee.

**Student Representation Fee**
The $1 Student Representation Fee is to be used solely by the Associated Students of Citrus College to advocate and lobby for legislative issues that affect and benefit community colleges and community college students. The student may, for religious, political, financial, or moral reasons refuse to pay this fee by completing the Student Representation Fee Waiver Form each semester and submitting it to the Office of Student Life, located in the Campus Center. This form must be turned in prior to paying for classes and completing the registration process. Waiver requests are subject to approval by the dean of students or designee. This fee is non-refundable.

**Refund Policy**
- To be eligible for a refund, a student must have dropped classes prior to individual refund dates.
- It is the student’s responsibility to drop classes in a timely manner to be eligible for refunds.
- Refund deadlines will be online at www.citruscollege.edu/ar. Click on Drop Deadlines.

**Residency**
At the time of admission, students are classified as either California residents or nonresidents. Both residents and nonresidents are welcome to enroll, but nonresidents will be charged tuition in addition to enrollment fees.

**Residents** are those who have lived in California for at least one year and one day before the semester begins and can demonstrate intent to remain a California resident. It is the student's responsibility to provide evidence to substantiate their claim of residency. Students from ages 18 to 19 may combine their parent's continuous residence in California immediately prior to their 18th birthday with their own continuous California residence after their 18th birthday to establish the one-year California residence requirement.

The residence of an unmarried student under the age of 18 is determined by the legal residence of the parents. A married minor determines residency from the date of the marriage and must meet the one-year physical presence and intent requirement.

**Military Personnel** are considered residents while stationed in California for active duty. The spouse and dependents are considered residents during the first year in which active duty began in California, but must provide proof that residency has been established thereafter.

**Nonresidents** are those who have lived in the state for less than a year before the semester begins or those who hold certain non-immigrant visas which preclude them from establishing residency. **Please note!** If you hold a non-immigrant visa, a permanent visa or have applied for asylum, please bring your passport, visa and/or I-688 form with you to the Admissions and Records Office after you apply online.

**International Students** attending on F-1 visas are considered nonresidents. Consult the International Student Center for details concerning application and registration.

**Reclassification to Resident Status** must be initiated by the student. Students interested in changing their classification should contact the Admissions and Records Office. Evidence of physical presence and intent to reside in the state of California for at least one year and one day prior to the semester’s start date must be submitted for a residency review.

**Verification of Prerequisites**
Students are required to provide verification of how skill or course prerequisites have been met prior to their registration date. Students unable to verify how a prerequisite has been met will not be allowed to enroll in courses requiring a prerequisite.

Official transcripts from other colleges may be used to verify prerequisites. Skills prerequisites must be verified through the Citrus College assessment process or the assessment process from another college. **Please note: students must verify prerequisites before being allowed to add a course. Students on the waitlist will be unable to register unless prerequisites have been cleared prior to permission to add.**

Students wishing higher placement in English or mathematics may bring high school transcripts to the Counseling Office, which will be used in conjunction with the assessment and multiple measures process. **Please Note: students who obtain clearance to register for a class via waitlist must have cleared prerequisites using other college transcripts before they will be permitted to register.**

**Parking Information**
Parking permits are required for all vehicles that park on the Citrus College campus. You may purchase a term permit for $40 at the Cashier’s Office Mondays and Thursdays from 8 a.m. to 5 p.m. and Tuesdays and Wednesdays from 8 a.m. to 7 p.m. Daily permits may be obtained from the Campus Safety Office for $5 Monday through Thursday from 7 a.m. to 8 p.m. The Campus Safety Office is located at the main campus entrance off of Citrus Avenue. Waitlist: The Basics

Waitlist is a new opportunity for Citrus College students to enroll in a class that is closed. Students are chosen from a “first-come, first-in” list.

• The waitlist will have a limit of 20 spots.

• The waitlist option is not automatic; a student must place himself or herself on a waitlist.

• Being on a waitlist does not guarantee enrollment.

• Students on the waitlist will be contacted via their Citrus College student e-mail address if a seat opens. To activate e-mail go to http://www.citruscollege.edu/tecs/studentemail/

• Notification is based on the student’s rank on the waitlist.

• Students may view their waitlist position on the WingSpan registration page.

• Students notified will have 24 hours to register for the course through the normal WingSpan registration process.

• If a student misses the 24-hour window to register, they will be removed from the waitlist.
