

# CITRUS COLLEGE REGISTERED NURSING PROGRAM REQUIREMENTS

## LVN 30-Unit Option

Enrollment in the Citrus College Registered Nursing Program – **30-Unit Option** – is open to persons regardless of sex, age, marital status, disability, ethnic group, religion or national origin. **Applications are accepted once a year for fall admission.** For a complete description of the 30-Unit option please go to: [www.citruscollege.edu/academics/programs/adn](http://www.citruscollege.edu/academics/programs/adn)

**Students seeking admission to the 30-unit option must meet all of the following criteria:**

- A GPA of 2.5 or higher for the Human Physiology and Microbiology prerequisite courses with no grade less than a “C” for each course is required.
- A cumulative GPA of 2.5 or higher for all college coursework attempted, *regardless of applicability to nursing requirements.*
- Human Physiology and Microbiology must have been completed within the last five (5) years.
- No more than one repetition of any of the prerequisite courses in the last five (5) years is permitted. A “W” grade does not count as a repetition.
- Core sciences must meet or exceed the 4.0 unit minimum with a laboratory component, as required by the California Community College Chancellor’s office.
- **Possess a current, [active California Vocational Nursing License.](#)**
- Good standing student status (academic and in progress).
- Before beginning the program, the student must successfully pass the current version of the ATI TEAS exam with a score of 62% or higher.
- Meet the minimum physical and mental qualifications to perform essential nursing functions.
- Background check, including Social Security verification and criminal history.
- High school education or equivalent.
