

## CITRUS COLLEGE ADN PROGRAM REQUIREMENTS ADVANCED PLACEMENT OPTION (LVN to RN)

Enrollment in the Citrus College Registered Nursing Program is open to persons regardless of sex, age, marital status, disability, ethnic group, religion or national origin. The **Advanced Placement Option** allows active California Licensed Vocational Nurses (LVN) to be given credit in the nursing courses in the first two semesters of the Associate Degree in Nursing (ADN) Program. The Advanced Placement candidate would be admitted into the LVN to RN Transition course. Following successful completion of that course, the candidate would enter into the third semester of the Associate Degree in Nursing program. **Applications are accepted once a year for Fall admission.** For a complete description of the program please go to: [www.citruscollege.edu/academics/programs/adn](http://www.citruscollege.edu/academics/programs/adn)

**Students seeking admission to the Advanced Placement Registered Nursing Option must meet all of the following criteria:**

- A GPA of 2.5 or higher for prerequisite core sciences, which includes Human Anatomy, Human Physiology, and Microbiology with no grade less than a “C” for each course is required.
- A cumulative GPA of 2.5 or higher is required for all college coursework attempted, *regardless* of applicability to nursing requirements.
- Prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) must have been completed in the last five (5) years.
- Only one repetition in a prerequisite core science (Human Anatomy, Human Physiology, and Microbiology) is permitted within the last five (5) years. A “W” grade does not count as a repetition.
- Prerequisite core sciences must meet or exceed the 4.0 unit minimum with a laboratory component, as required by the California Community College Chancellor’s office.
- Online prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) are not accepted.
- College level, transferable English, minimum of three (3) semester or four (4) quarter units with a grade no less than a “C.”
- **Possess a current, active California Vocational Nursing License.**
- Good standing student status (academic and in progress).
- Before beginning the ADN program, the student must successfully pass the current version of the ATI TEAS exam with a total score of 62% or higher.
- Meet the minimum physical and mental qualifications to perform essential nursing functions.
- Background check, including Social Security verification and criminal history.
- High school education or equivalent.

\*See Citrus College Catalog for applicable courses ([www.citruscollege.edu/catalog](http://www.citruscollege.edu/catalog))

### REQUESTS FOR EQUIVALENCY

If you are uncertain whether a course taken inside or outside the California Community College system is equivalent to the Citrus College course, please contact the Nursing Counselor.

### INTERNATIONAL COURSEWORK

Coursework completed in another country may be accepted to satisfy General Education requirements. International transcripts must be evaluated by a Citrus College approved evaluation service. Consult the Counseling and Advisement Center for further assistance.

### HIGH SCHOOL EDUCATION OR EQUIVALENT

Applicants must provide proof of graduation from:

- An accredited high school in the United States by transcripts or diploma or;
- Documentation of a passing score on the General Education Development (GED) exam or;
- Associate, or Baccalaureate degree from an accredited institution of higher education in the United States or;
- Official evaluation of international diploma/degree
