## **BP 2745 BOARD SELF-EVALUATION**

References: ACCJC Accreditation Standards IV.C.10.

The Board of Trustees is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board of Trustees has established the following processes:

The Board, as a whole, will determine the instrument or process to be used in Board self-evaluation which shall occur during the month of June. Any evaluation instrument shall incorporate criteria contained in these Board Policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field.

If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit it to the Superintendent/President's Office.

A summary of the evaluations will be presented and discussed at a Board session scheduled for that purpose. The results will be used to identify accomplishments in the past year and goals for the following year.
