The District has a Transfer Center Plan that complies with the requirements of Title 5. While transfer services are available to all students, the plan identifies appropriate target student populations and is designed to increase the transfer applications of underrepresented students.

The plan is updated every five years and reviewed annually by the Transfer Advisory Committee.

The Transfer Center Plan is available in the Career/Transfer Center.

The Career/Transfer Center, as well as other counseling programs, provide resources and have staff available to assist students with transfer planning.

The Transfer Center Plan components include, but are not limited to:

- Services to be provided to students
- Facilities
- Staffing
- An advisory committee
- Evaluation and reporting
- References related to transfer path requirements for each articulated baccalaureate major on www.assist.org

The Chancellor's Office Transfer Center Annual Report also includes information about progress related to the Transfer Center Plan.
