Dear Citrus College Family,

As we approach the Thanksgiving holiday, I want to take a moment to thank each of you for all that you do to create a welcoming, inclusive and supportive environment for our students. I know that this year has been filled with both joys and challenges, yet we have continued to put our students first and provide support and encouragement to each other. Thank you for making a difference, every day. I am grateful for the opportunity to serve our campus and community with each one of you.

As we prepare for the completion of the fall semester, I look forward to working with each of you to help our students complete this semester and achieve their dreams. I also hope you are able to obtain some rest this weekend, take a break from Canvas and Zoom, and enjoy time with your family, friends and loved ones. Have a Happy Thanksgiving and stay safe!

With appreciation,
