Dear Faculty and Staff,

I am writing to share an update with you related to the Language Arts and Library Division.

Dr. Gina Hogan has recently decided to return to the classroom as a full-time faculty member in English. I want to thank Dr. Hogan for the leadership she has provided to faculty, staff and students while serving as the Dean of the Language Arts and Library Division.

At Dr. Hogan's request, this transition will be effective in late August as we begin the fall semester. I will be working with Academic Affairs and Human Resources in accordance with our established procedures to identify and recommend someone to serve as Interim Dean of Language Arts and Library during the fall semester, as we prepare to begin the search process for the permanent Dean position.

An internal search process will begin shortly for Interim Dean of Language Arts and Library, and the opportunity will be open to all faculty and staff *within the District* who meet the minimum qualifications and wish to apply.

Please join me in thanking Dr. Hogan for her leadership and service as Dean, as she prepares to return to her full-time faculty role and has the opportunity to positively impact students in the classroom.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Schulz".
