Dear Citrus College Classified Professionals,

Happy Classified School Employee Week! On April 9, 2024, the Citrus Community College District Board of Trustees joined organizations across the country and voted unanimously to declare the week of May 19-25 as Classified School Employee Week, honoring all California School Employees Association (CSEA) employees. They adopted a proclamation to recognize the contributions of our CSEA professionals and to express their appreciation for the positive impact you have on the lives of our students. The board's proclamation can be found as part of their April board meeting agenda at:

On behalf of our entire campus community, I want to join our board of trustees, faculty, managers, supervisors and students and express thanks to each of you for all that you do throughout the year to support our students and your fellow colleagues.

Across our campus, we see your efforts and appreciate the important role you perform in supporting the wellbeing and success of our students. As you interact with students, the care that you provide on a daily basis is one of the reasons our students feel welcome, safe and supported on our campus. Thank you for serving our students with enthusiasm, empathy and kindness.

We are looking forward to celebrating and thanking each of you on Friday, May 24, with a Staff Appreciation Breakfast at 7:30 a.m. in the Campus Center and a Staff Appreciation Pizza Lunch at 3:30 p.m. in the Owl Café for our classified professionals who typically begin their shift in the afternoon or evening.

Thank you for all you do. You make it possible for us to provide such outstanding educational programs and services to our community, and we are grateful for your many contributions to Citrus College.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Schulz".
