RE: Welcome Back and Celebrating Pride

Dear Citrus College Community,

Welcome back, and I hope your summer is off to a great start. As we enter the summer term and approach the end of Pride Month, I wanted to take a moment to reaffirm our commitment to and support for the LGBTQIA+ community.

[Pride celebrations](#) originate from the [Stonewall Riots](#), which were a coordinated response to a police raid on June 28, 1969, and their frequent harassment of patrons of a New York gay bar, the Stonewall Inn. Protests, marches, and advocacy efforts continue to be held in June worldwide to commemorate the Stonewall Riots.

Pride Month can also be a challenging time for those who may not have the support and safety to celebrate freely. Citrus College offers a variety of resources to support students. You can learn more about these student services by visiting the [Pride Resource Center](#) and the [Student Wellness Center](#). Employees can also sign up for the [LGBTQ+ Employee Resource Group](#) to help advocate for, develop, and receive resources.

Thank you and Happy Pride!
