

PROGRAM DESCRIPTION:

The Global Studies degree program explores world culture, development, inequality, social justice movements and environmental issues facing human populations. The program focuses on elements of modern globalization and international geography and incorporates courses from history, political sciences, environmental sciences and humanities. This program is unique and provides students a holistic and scientific approach to global awareness and prepares students to transfer to the California State University system in majors such as global studies, global politics, international relations, international studies, or international relations and comparative government. For more information regarding program requirements please visit: bit.ly/2MoGWfF
