Video contains images of the Citrus College campus throughout,
with special emphasis of the Owl Fountain located in the center of campus.

Leave your mark at Citrus in a positive way through the BUY A BRICK PROGRAM sponsored by the Citrus Alumni and Friends Association.

Over 600 bricks have been installed around the Owl Fountain, a campus focal point and gathering place for students. Some of these bricks have already been engraved with the names and messages of Citrus alumni, family, staff and friends.

All proceeds from the sale of these bricks are used to establish new scholarships, maintain existing scholarships, and to fund projects around the campus.

Purchasing a brick not only lets you leave a lasting mark on the campus, it also gives you a chance to make a difference in the lives of future students.

There are still a few remaining bricks to be purchased, but they are going fast! Don't miss your chance to celebrate a graduate's class year, an athletic team, or give one as honorary or memorial gift for a loved one.

Order forms are available in the Foundation office or on the Citrus Alumni and Friends page of the Citrus College website.
