Important Information

The Associate in Arts or the Associate in Science degree will be granted upon the completion of 60 degree- applicable units of work and fulfillment of the following specific requirements listed below. These graduation requirements shall apply to first time and returning students enrolling fall semester 2019 and thereafter. Students who have maintained continuous enrollment (completed a course with an academic record symbol, excluding W) have the option of meeting these requirements or those in effect at the time continuous attendance began.

The Associate in Arts or the Associate in Science Degree will be granted upon the completion of 60-degree applicable units of work and fulfillment of the following specific requirements:

- 1.) Scholarship Requirement:
 - a. An overall grade point average of 2.0 or better must be earned in all lower division coursework attempted at Citrus College and at any regionally accredited post-secondary education institution.
 - b. A 2.0 GPA or better in credit courses in the curriculum upon which the degree is based.
 - c. Good academic standing at the college.
- 2.) Residence Requirement:
 - a. Successful completion of a minimum of 12 units in residence at Citrus College.
- 3.) Major Requirement:
 - a. Completion of at least 18 units with a grade point average of 2.0 or better in each course attempted that is counted toward the major.
- 4.) Kinesiology Requirement:
 - a. Successful completion of any three units of Kinesiology or dance activity as stipulated in the Citrus College Catalog.
or
 - b. Successful completion of any Kinesiology theory course as stipulated in the Citrus College Catalog.
- 5.) Competency Requirements:
 - a. Writing: Completion of an English Composition General Education Requirement with a grade of "C" or better.
 - b. Mathematics: Proficiency in Mathematics may be satisfied by one of the following:
 - Completion of two years of high school algebra AND placement at the level of College Algebra or higher
 - Completion of any mathematics class listed in the mathematics section of the General Education Requirements with a grade of "C" or better.
